God sees your power, potential, and purpose even when you don't...

Life Group Questions:

1.) We learned from the text that God rejected Saul as king. Why was God so hard on Saul? Why reject him and forgive others?

2.) David was all but forgotten about by his family when Samuel paid his visit. Why do you think God chose David and not his brothers who were more equipped for the task at hand?

3.) Read 1 Samuel 16:7 & 1 Samuel 16:12. Why do you think the author wrote not to consider the man's appearance then mentions how handsome David was? Is this significant?

4.) When the world saw a young boy, God saw a giant killer and the future king. What does God see in you that the world doesn't?

Personal Study and Reflection:

1. Read 1 Samuel 8-17

2. Begin praying for God's purpose for your life? Has he used you to your full potential?
