Life Group Questions:

1. What about Saturday? What might those who followed Christ went through during the period of time after the Crucifixion but before the Resurrection? Do the scriptures give us any clues?
2. Have you ever been "hopeless", how did you cope?
3. Jesus clearly promised that he would rise from the dead (Matthew 27:62-64). Did his followers not believe him? Did they miss this message or just forget? What can we (modern day followers of Christ) take away from this?
4. In the message, we learned that an "Unconventional Hope" is one that isn't contingent on the events of this world. What does that mean? How does this affect or apply to you?
